

# Embracing and Navigating Change

## Associate Podcast Discussion

### Mission Briefing

Discover how Embracing and Navigating Change is used to measure your performance against our culture.

To develop this competency, you'll need to be curious, pursue knowledge, ask for help, and include others in your decision-making process.

### Your Assignment

1. Listen to the **Culturally Speaking** podcast on **Embracing and Navigating Change**.
2. Discuss the questions below with your leader and onboarding buddy. Capture thoughts and reactions in your onboarding notebook.

Onboarding Buddy	Leader
1. Tell me about a recent change you went through. How did you embrace and navigate it?	1. Why is it important to embrace and navigate change for our business? How about in my role?
2. How does trust tie into embracing and navigating change for you?	2. What is your leadership style when it comes to change?
3. How do you support others as they embrace and navigate change?	3. How can I stay informed about changes in our organization?
